10. CALIFORNIA FAUCETS' new line of single-handle tub fillers has a 9-in. center-to-center spout reach and is offered in traditional, contemporary, transitional and industrial styles. The solid-brass, freestanding fillers have a flow rate of 10 GPM, can fill a 42-in. tub in less than four minutes and are available in more than 28 finishes. Pricing starts at \$2,195 for the industrial and contemporary styles in polished chrome. [Californiafaucets.com](http://californiafaucets.com)

11. SMEG's FAB38 Refrigerator is a larger addition to the brand's refrigerator series at 18 cubic feet. The Energy Star-rated appliance provides additional storage space and features a Multiflow cooling system with electronic temperature controls, four shelves and technology that prevents ice buildup in the freezer. It retails for \$3,999 in black, cream, white, pastel blue, pastel green (shown) and red. The price is \$3,999.95. www.smegusa.com

12. ROBERN's Modular Mirrors Collection installs seamlessly with the brand's medicine cabinets so designers can mix and match styles depending on their clients' needs. The mirrors transition across areas where obstructions exist behind the walls and are offered in a variety of sizes and with beveled or polished-edged glass. Price ranges from \$349 to \$479. www.robern.com

13. VITRA has introduced the Voyage Collection of bathroom fixtures and furniture by designer Arik Levy. The collection is entirely wall hung, and both open and closed storage options are offered, including hooks, open shelving and mirrored wall boxes. Coordinating accessories are also available, including a heated towel rail, a toilet roll and a brush holder, and the collection is offered in dual color finishes. Prices start around \$500 for a washbasin. www.vitra.co.uk

14. ALLEGRI CRYSTAL has launched four new collections that are made with the brand's Firenze crystal, including Capuccio. This collection features LED-faceted crystal in a sleek, contemporary fixture with a matte-black and chrome finish. Suitable for kitchens and dining rooms, the fixture is available as a wall sconce and an island light, which starts at \$1,94. allegricrystal.com

15. The OCTO-Bath is new from **NK WOODWORKING & DESIGN** and was created by Nathie Katzoff. The boat-shaped wooden tub emulates an octopus with its metal "tentacles" and is made of sapele mahogany and hand-forged steel. It is waterproof with a touch gloss finish, and its maintenance needs are similar to those of a regular ceramic bath. Pricing is similar to that of a luxury car. www.nkwoodworking.com

16. EASY SANITARY SOLUTIONS introduces the Modulo Stone Flex Shower Drain, which is almost invisible and allows onsite size adjustments for a precise fit. The linear drain was developed for natural stone and marble floors and is offered in sizes from 19 to 82 inches with up to 4 inches of adjustment. Pricing ranges from \$708.22 to \$1,206.64. Easydrainusa.com

17. WATER INC. has introduced the Acuva Eco NX-Silver Water Purification System, a compact and lightweight water purifier. Its UV-LED IntenseBeam Technology eliminates up to 99.9999% of bacteria and viruses and provides clean drinking water instantly. The easy-to-install system also features a built-in, flow-sensing activation that allows operation only when the faucet is turned on. Pricing ranges from \$439 to \$1,449. www.waterinc.com/uv
