The new high-volume tub fillers in the modern-style Cascade Collection feature a slim, shelf-style design in wall- or deck-mount configurations, shaped to stream "arched panels" of water into the adjoining tub. The wall-mounted edition is constructed from solid brass and available in two sizes: CFB.2250, with a 5.5-inch spout projection, and CFB.2350, with an 8-inch spout projection. Both offer flow rates from 10 to 11 gallons per minute. The deck-mounted version is made of stainless steel, available with a 6.1-inch spout reach and a flow rate of 10 gallons per minute. All are available in a choice of 24 finishes, including brushed nickel, chrome, matte gold, blue platinum, distressed black, and deep red.
