BATH & SPA

1. BAINULTRA | BAINULTRA.COM

BeOne, crafted of 100 percent pure acrylic for durability, is a freestanding tub that translates the traditional Japanese style bath through a modern lens. The tub is available in a glossy white, with options for a dramatic black and white finish or the brand's Ultravelour matte finish.

2. EASY SANITARY SOLUTIONS | EASYDRAINUSA.COM

The nearly invisible Modulo Stone Flex shower drain allows onsite size adjustments to ensure a precise fit. The rough is made from high-quality stainless steel, and it includes an integrated slope and a factory-assembled sealing membrane.

3. MTI BATHS | MTIBATHS.COM

As part of the brand's Designer Series, the Metro is crafted from high-gloss cross-linked cast acrylic that has been reinforced for added strength and insulation. The finished tub is made in the U.S. and has a non-porous surface that is durable, highly resistant to scratches and stains, and easy to clean and sanitize.
