## GESSE

### COLOUR SHOWER SYSTEM

Gessi combines ethereal elements of water and light to create a spectacular shower system known as COLOUR. As part of the brand's signature Private Wellness® Program, COLOUR employs refreshing waterfalls, stimulating hydro-massage, soft nebulized mists, and mood-changing hues to produce a sensory shower like no other. The COLOUR Collection is crafted from stainless steel and available in a variety of finishes bringing a sleek, minimalist vibe to any bathroom decor.

## BLUESTAR

### ABBAKA KITCHEN HOOD SERIES

BlueStar's latest kitchen hood line, the Abbaka series, features dynamic unique sculpting and intricate details, including distinctive shapes and height. Each Abbaka hood features an enhanced height – 30" high versus the standard 18" – for a dramatic, sweeping profile. The three new styles being introduced are the Atlas, Mesa and Normandy kitchen hoods. All are available in stainless steel, 10 metals or thousands of colors, including custom colors. Plus add strapping and rivets for a truly custom look.

## BAINULTRA

### LIBRA 6632 FREESTANDING TUB

BainUltra celebrates balance and symmetry with their latest freestanding tub design – the Libra 6632. Named in honor of the celestial constellation depicting weighted scales, the Libra bathtub embodies the essence of harmony and peace with its flowing lines and sleek elegance. The look is timeless and refined, creating a sweet simplicity that easily complements any bathroom décor.
