What's Hot in Showers & Dishwashers

1. The **DELTA** Galeon Bath Collection takes its name and inspiration from 15th-century Spanish sailing ships. Galeon is the first Delta Faucet bath collection to launch with H2Okinetic UltraSoak Spray for more water coverage and pressure than the standard showerhead. The Galeon Bath Collection is available in Lumicoat Chrome (shown here), Lumicoat Stainless and matte-black finishes. MSRP starts at \$135. www.deltafaucet.com

2. **BIG CHILL**'s Classic Dishwasher in light gray with a brass trim was curated by interior designer Kate Marker. The product is also available in more than 200 custom colors. Highlights include a stamped metal body, stainless-steel interior, hard food disposer and three racks. MSRP starts at \$2,295. www.bigchill.com

3. Designed and developed with Studio F.A. Porsche, **ICON-X** from **THG PARIS** is available with cross or lever handles and has three versions: metal with color inserts on the cross or lever handle, metal with a titanium insert engraved on the cross or lever handle and metal with a gold carbon inset on the cross or lever handle. The starting price point is \$2,272. www.thg-paris.com/us/en

4. As part of the brand's signature Private Wellness Program, **Colour** from **GESSI** uses stimulating hydro-massage, soft mists and mood-changing hues to produce a sensory shower. The Colour Collection is crafted from stainless steel, and the LED coloring in its square or circular showerhead can be controlled with a digital keypad. Pricing for the model shown is \$6,386. www.gessi.com

5. **THERMADOR** introduces the Leap into Luxury Appliance packages. Tier One packages include 72-in. freestanding refrigeration, a 30-in. Pro Harmony Standard, 30-in. Pro Harmony Wall Hood, 600 CFM Integral Blower and a 24-in. Emerald Dishwasher for a total of \$9,948. The dishwasher included in the package has smart appliance capabilities like personalized control, notifications and remote diagnostics via the Home Connect app. www.thermador.com

6. The **GROHE** Euphoria CoolTouch Thermostatic Shower System boasts an easy installation and GROHE CoolTouch technology, which ensures that the thermostat's body will never get too hot to touch. The 12-in. Rainshower Mono 310 showerhead features GROHE PureRain, a spray designed to soothe and relax, while the ergonomic hand shower offers three spray functions. MSRP starts at \$769. www.grohe.us

7. The new super-slim design **Xs Series Shower Drain** from **EASY DRAIN** is available in lengths of 19- $\frac{3}{4}$ -in. to 47- $\frac{1}{4}$ -in. and equipped with a height-adjustable siphon that provides high drainage capacity. The Xs design features a subtle small frame on all four sides and starts at an MSRP of \$1,055. www.easydrain.com

8. The new **Nebia** by **MOEN** Quattro Rainshower and **Nebia** by Moen Quattro Handshower showerheads feature a unique design that uses 50% less water than a standard shower while still offering an immersive experience. The **Nebia** by Moen Quattro products each offer four distinct showers all in a single showerhead and start at \$129. www.moen.com

9. **BOSCH**'s 18-in.-width, ADA-compliant dishwashers are designed for customers with special space requirements. The dishwashers can be installed at a standard countertop height for an extra-tall toe kick or incorporated into a kitchen design where the floor was installed in a cutout with less space. MSRP for SPE53B55UC, shown here, is \$849. www.bosch-home.com
