**Huff Harrington** is now the ultimate one-stop shop for home decor and exquisite gift ideas. Instead of housing its interior design business and home furnishings store in one Buckhead location and its fine art gallery in another, the brand has relocated all three to an 8,500-square-foot space in the Galleries at Peachtree Hills and separated them by floor. Hello, convenience! 425 Peachtree Hills Ave. NE., Ste. 9, Atlanta. [www.huffharrington.com](http://www.huffharrington.com)

Like many people during the pandemic, expectant parents Luis and Nicole Quinones finally found the time to pursue their passion for making things by hand and started their own business **Hickory Grove Co.** in 2020. You can support the Hispanic-owned, Marietta-based business by purchasing their handcrafted soy candles, cold-processed bars of soap and more. Stocking stuffers anyone?
