peaceful
MOMENTS

A soothing bathroom and yoga room draw inspiration from nature and serve as a quiet sanctuary in an Atlanta home.

Writer and Stylist Lisa Mowry Photographer Emily Followill

OPPOSITE Cypress lines the windows in the yoga room. **THIS PHOTO** Interior designer Karen Ferguson covered the bathroom in natural materials, using honed Galala limestone on walls and floors and cypress on the ceiling. Fixtures in oil-rubbed bronze and wood accessories provide contrast to the surrounding light tones.
