**Right:** MTI Baths' Alissa tub and a Sigma tub filler stand beneath a Jason Koharik pendant in the main bathroom, where a Belgian linen shade decorates the window. Eco Outdoor's Calcetta flooring meets plaster walls and, in the shower, Zellij Gallery's Bejmat wall tiles. The CRL door handle and the Waterworks faucet and showerhead accent the space.

**Opposite:** Cuff Studio's shearling-covered Block bench fronts the bed in the main bedroom, upholstered in de Le Cuona linen. The Lawson-Fenning nightstand supports a custom MMHP ceramic lamp; Nickey Kehoe's String lantern suspends above. Portola Paints & Glazes' Spectre paint colors the walls, complementing Belgian linen window treatments. A Heja Home Moroccan rug tops Hakwood flooring.
