THIS PAGE: In the main bath, a hand-cast sculpted-glass John Pomp chandelier hangs over the freestanding tub. Fabric for the floor-to-ceiling draperies is from Old World Weavers (founded by style icon Iris Apfel in 1950). **OPPOSITE, TOP:** The family room has denim-blue walls and a Nathalie Ryan-designed bar. **OPPOSITE, BOTTOM:** The sculpture garden was designed by the homeowner and features native scrub oaks, cast in bronze.
