1

With its tapered cylindrical form, the Venet Sink by **ACQUABELLA** cuts a crisp figure in the bath. Cast of a UV-resistant mineral composite material, the 34-in.-tall totem is smooth and has an antibacterial surface that is easy to clean. acquabella.us

2

A limited edition of 99 pieces, the Rock.01 is a collaboration between artist Daniel Arsham and **KOHLER**. The basin of the vessel sink is 3D-printed out of vitreous china, then paired with a cast-brass base. us.kohler.com

3

Designed by Mario Ferrarini, the Dialogo Washbasin is the initial offering of **ATLAS CONCORDE**'s Habitat Design Collection. Fabricated of porcelain panels in nine colorways, it's available in wall-mount (single and double basins), vessel and freestanding models. atlasconcorde.com

4

From the **LONDON BASIN CO.**, the intricate floral pattern of the Blue Marnie Basin brings a cheery presence to the bath. Inspired by classic Indian motifs and colors, the circular porcelain vessel is 15 ½ inches in diameter; its straight walls are 4 ¾ inches tall. londonbasincompany.com

5

Folio by **SIMAS** comprises above-counter ceramic basins that are coordinated with thin countertops of the same material, resulting in a unified look. The sinks are available in oval, round, square and rectangular shapes and 13 glossy and matte colors. simas.it

6

SCHMIDLIN's Mero Countertop Sink is made of glazed titanium steel and is magnetic. A collection of magnetized, chrome-plated accessories (towel bar, soap dispenser, glass holder) can be attached and repositioned without scratching the surface. schmidlinusa.com
