26 LIGHT WORK ▲

Turn your sink into an all-in-one workstation with integrated accessories for easy prep and cleanup. This multiuse sink—the largest apron-front model on the market—includes a cutting board, drying rack, strainer, mixing bowl, and more, and can comfortably accommodate two faucets and two chefs. Dual Tier 45-inch Workstation Kitchen Sink (\$1,590). Ruvati USA; ruvati.com

27 TURKEY TIME ▼

This 48-inch pro-style gas range is the first of its size to offer a single oven cavity big enough to fit two turkeys. The feature is sure to come in handy while hosting guests during the holidays. The gas range is designed to bring commercial cooking home with eight burners and seven color options. 48" Professional Gas Range (starting at \$8,599). Forza; forzacucina.com

28

WINE & DINE ▲

Enjoy wine at its best with this undercounter wine refrigerator that minimizes vibration and light while optimizing temperature and humidity. The Signature Sommelier app learns preferences and offers recommendations for the perfect food pairing. Undercounter Wine Refrigerator (\$3,499). Signature Kitchen Suite; signaturekitchensuite.com/us/

29 CLEAN AS A WHISTLE ►

Take the term "clean surface" to a whole new level. This patented sanitizing paint—available in 540 colors—kills 99.9 percent of staph and E. coli on painted surfaces within two hours of exposure. SuperPaint with Sanitizing Technology (\$70.49 a gallon). Sherwin-Williams; sherwin-williams.com

29

30 ACCENT TILE ►

Bring a sense of grandeur to your bath with a custom tile rug that mimics the ornate detail of Persian tapestries. Using the technology of digitally rendered imagery, each tile type, colorway, and size can be customized to fit the design and aesthetic of your space. Manor Pigment from the Lasting Rugs collection (pricing varies). Artaic; artaic.com/mosaic/designs/manor-pigment/
