1 Embossed leathers and suedes with rich textures in gold, silver, and bronze finishes comprise **Jamie Stern's** Gold Rush collection. JAMIESTERNDESIGN.COM

2 **MTI Bath's** DoloMatte is now available for low-profile shower bases. A solid surface slab of specialty polymer with ground minerals derived from Bauxite ore is mixed with resin and hand-sanded for a velvet finish. MTIBATHS.COM

3 Supported by a benchmade hardwood frame and softened with a high-resiliency foam, the Rhodes accent chair from **Room & Board** offers durability wrapped in a modern design. ROOMANDBOARD.COM

4 **Model No.'s** Platform chair is made to order in the company's Oakland, California micro-factory to reduce waste. An FSC-certified hardware frame finished with low-VOC varnish supports cushioning filled with ethically sourced duck feathers. MODEL-NO.COM

5 Part of **Shaw Contract Hospitality's** Terra Meta collection of 20 custom broadloom patterns inspired by the digital realm and nature, CF7306 (shown) features abstract swirls in a mashup of blue, green, and gray hues. SHAWCONTRACT.COM
