Expanded hood presents big, retro style

BIG CHILL widens its Retro Collection with the addition of a new expanded hood width, the 48" Retro Bungalow Vent Hood. The 48" Retro Bungalow Vent Hood was created to complement the 48" Retro Gas Stove in width, design and color, recalling the timeless American design of the 1950s. Measured at 18 inches high, 48 inches wide and 24 inches deep, the 48" Retro Bungalow Vent Hood is available in five standard colors, six premium colors and over 200 custom colors.

Electric oven ranges provide splash of color

VERONA APPLIANCES extends its Prestige collection with seven new 36" electric ranges. The 36" electric ranges feature a five-burner black ceramic electric cooktop that is easy to clean with full-size elements to accommodate pots of any size and a multi-tasking dual element that ranges from PerfectSimmer (700W) to a powerful InstaBoil (2100W) setting. The single ovens come in four colors (stainless steel, white, matte black and burgundy), and double ovens come in three colors.

Refrigerator combines with bottom freezer

TRUE RESIDENTIAL launches a 36" Refrigerator with a Bottom Freezer available in both solid and glass door options. The configuration is the most requested on the market, and this version is the first of its kind for the brand. It boasts an unparalleled expansive interior space compared with other 36-inch models. The 36" Refrigerator with Bottom Freezer comes with an interior made from 300-series stainless steel and can accommodate a full 18- by 26-inch commercial sheet pan.

Undermount sinks open fresh possibilities

HAMATUSA expands its popular Chelsea Fireclay Sinks Collection to include a new series of undermount kitchen sinks. With sleek lines and a seamless look, the sinks are in high demand by homeowners and designers, who love the easy counter cleanup made possible by the barrier-free design. Tighter-than-average radius corners provide increased sink area and versatility. The sinks come in a variety of sizes, the largest being a 30-inch version in single or double bowl options.

Drawer design boosts dishwasher output

FISHER & PAYKEL debuts its Series 11 DishDrawer Dishwasher, which features a fully stainless steel interior and offers expanded features for a deeper clean as well as extended flexibility. With SmartDrive technology, the DishDrawer has many technology enhancements, including a knock-to-pause feature and WiFi capability, allowing users to start, pause or cancel a wash from their smartphone. The Series 11 DishDrawer is available in single drawer and double drawer models.
