(ALAIR HOMES THINKS SO)

1 **Buster + Punch**'s new line of kitchen faucets complements the company's kitchen hardware and lends a refined touch to the room. The faucets feature a rough cast base, hand-polished necks, diamond-cut knurling on the filter caps, and either a cross or linear knurled lever. These faucets are made to be the perfect centerpiece to complete the Buster + Punch kitchen and can be complemented in style and finish with the firm's hardware, lighting, and accessories collections. Kitchen faucets are made with solid brass and are available in steel, brass, gun metal, or welder's black. [Busterandpunch.com](https://www.busterandpunch.com) / CIRCLE #851

2 Luxury faucet brand **Franz Viegener** is set to launch its Groovy Faucet (shown), named for its deep grooves and curves, this faucet reflects the brand's streamlined design and precision engineering, the company says. Other developments releasing at the end of 2022 include The Classic Collection of bath faucets expanded to include bath and shower fixtures and new ribbed detailing; the Nerea Collection now also includes lavatory faucets and freestanding tub faucets with new ultra-modern knurled handles. 3 **Ruvati** introduces its new kitchen collection, the epiStage Series of kitchen sinks. The Italian-made sinks are made of 80% crushed granite and proprietary resins, forming an extremely durable, nonporous surface with the look and feel of natural stone. Colors include urban gray, midnight black, and espresso brown. Sinks come

with a solid composite cutting board, foldable drying track, and silicone grid to protect the sink bottom. Available in 30" and 33" widths with 9" deep single basins, the sinks have a limited lifetime warranty. [Ruvati.com](https://www.ruvati.com) / CIRCLE #853

4 **Lenova**'s upgraded Entertainer Workstation Sink can function as a prep sink in a large kitchen or as an addition to a wet bar or outdoor kitchen. Comes with colander, wine cooler attachment, and three condiment trays that transform the sink into a refreshment center as guests gather. Measuring 30" x 8" x 6", the workstation is made from 16-gauge stainless steel, finished in brushed satin that resists scratches and stains, and features a protective undercoating and rubber padding to absorb sounds. 5 **Gessi**'s new 316 Kitchen Collection of faucets is part of the Art for Chef's Collection. The models feature swiveling spouts, pull-out sprayers, and a push button to easily switch between jet spray or a softer aerated flow. Crafted from stainless steel, their finishes include chrome, matte black, and brushed variations of nickel, steel, copper, brass, and bronze. A proprietary plating process makes the faucet finishes stain resistant, and specially designed components minimize limestone deposits. Hoses come in standard black, grey, white, or orange. Coordinating soap dispensers help create a cohesive and clean workspace. [Gessi.com](https://www.gessi.com) / CIRCLE #855
