# Products to Know Now

**ASCEND FROM ASTEK**  
**ASTEK.COM**

The wallcovering collection draws upon the strength of mountain forms. Designer Jill Malek employs detailed line work and soft color transitions to evoke rock formations and peaks. Each repeating mural communicates a calm, earthly power presented on a textured Type II substrate for commercial applications, printed to order in Astek's Los Angeles studio.

**RAVENNA PRINTS FROM CERAMIC TECHNICS**  
**CERAMICTECHNICS.COM**

Shapes, colors, and emotions come to life in the form of dynamic thin porcelain with patterns from playful to elegant. Available in Pro and Up matte formats at 3.5mm and the glossy Lux at 6mm thickness, the wallcoverings' high-definition graphics are paired with the durability of porcelain.

**LIDO FROM INNOVATIONS IN WALLCOVERINGS**  
**INNOVATIONSUSA.COM**

A handpainted mosaic pattern is transferred to a digital format for printing in this textile wallcovering that blends traditional and modern media. Neutral tiles accented with tranquil blues and earth tones, the watercolor design is crafted of polyester yarns individually glued to a non-woven backing.

**SEMI CUSTOM DIGITAL WALLCOVERING FROM MOMENTUM**  
**MOMENTUMTEXTILESANDWALLS.COM**

The statement-making murals are made to order. Two breakout patterns, Belisama and Soleil, feature texture and metallic variations that replicate handmade art pieces but perform and install as wallcovering. The collection is a Type II vinyl made in the U.S. with a recycled non-woven backing.

**WUDI FROM SANDLER SEATING**  
**SANDLERSEATING.COM**

With upholstered armchairs, sofas, and ottomans, as well as tables, the family is well-suited to lounge areas and waiting rooms. Designed by Francesc Rifé, the collection offers a combination of tradition and modernity through its use of solid oak. A rounded wood frame radiates warmth, while high-quality upholstery offers an elegant finish.

**CLOUD 9 FROM PERENNIALS**  
**PERENNIALSFABRICS.COM**

Cloud 9 is filled with crisp neutrals and understated elegance in five new 100 percent SDA rug designs to complement new fabrics: Daydreams, Double Date, Brush Work, Strato (shown), and On Deck. Customizable by color and size, the durable rugs are fade-, mildew-, and UV-resistant for indoor or outdoor use.

**TOPANGA 48" VANITY FROM NATIVE TRAILS  
NATIVE TRAILSHOME.COM**

Handcrafted from sustainably grown and sourced FSC-certified solid walnut, the vanity honors the rich heritage of Eastern European woodworking. Midcentury-inspired design pairs with different Native Trails' vanity tops and bathroom sinks, and the solid walnut finish provides a warm touch and ample storage.

**BELLA-DURA FROM FABRICUT CONTRACT  
FABRICUT.COM**

Fabricut Contract introduces an indoor/outdoor performance upholstery in collaboration with Bella-Dura. Featuring modern geometrics, decorative stripes, tactile bouclés, and luxurious textures, the fabrics are available in a range of neutrals and brights.

**JAZMIN FROM KB CONTRACT  
KBCONTRACT.COM**

A striking chenille textile featuring a large-scale ombré stripe, Jazmin is available in 10 bold colorways and features bleach cleanability and the industry-favorite Crypton stain and moisture barrier finish.

**GRIDSCAPE STAGGERED MULLIONS FROM  
COASTAL SHOWER DOORS  
COASTALSHOWERDOORS.COM**

Part of the Gridscape shower enclosure style, these mullions feature staggered bars and frosted glass, dividing and defining to create a private oasis in modern bathroom spaces, as featured in the guestrooms at the Moxy Williamsburg in Brooklyn, New York.

**STAINLESS-STEEL AMENITY  
DISPENSER FROM WINGITS  
WINGITS.COM**

Made from 18/8 stainless steel and installed with WingIts' fastening technology, the patented industrial pump technology is made to ensure years of use. Units can be customized and laser etched.

**ALVA FROM MTI BATHS  
MTIBATHS.COM**

With graceful curves and an elegant silhouette, the freestanding tub blends high-end style with personal wellness. Offered in a soft matte white finish or hand-polished deep gloss, it can also be ordered in a choice of six dramatic exterior hues, including sapphire blue, terracotta, and onyx.
