CABINET HARDWARE

Ageless Iron Hardware's newest offerings for cabinet hardware include knobs and pulls in a range of distinctive designs, including oval Aeg knobs, rounded Keep knobs, and subtle circular Turret knobs. Cabinet pulls come in 4-, 6-, and 8-inch lengths in three styles: angled or rounded Barn Pulls, Castle cabinet cup pulls (shown, also available in a 3-inch length), and Machine Pulls for a more formal look.

CABINET DOORS

Alvic USA's latest door collection includes four styles: Finger-Pull integrated J-pull profile (shown), Quadro five-piece Shaker, Plano edge-banded slab, and the newest style, Corfu, a three-piece door. Matching 4-foot-by-9-foot panels and edge-banding rolls are available for every cabinet door style and color. Phenolic-backed and peel-and-stick laminates are also available in top-selling colors.

CABINET DOORS

Wood-Mode Fine Custom Cabinetry's Moditional kitchen and bath collection combines the benefits of inset cabinetry with modern design trends. Featuring smooth cabinet fronts, beveled molding for subtle detail, and hidden dust rails (mid rails), Moditional includes some of Wood-Mode's most popular transitional door designs such as Toulon, Cologne, and Linear, as well as Pescara, a recent introduction.

WOOD VANITY

Native Trails' Topanga Series features four solid walnut vanities offered in freestanding 30-, 36-, and 48-inch sizes, or as a floating option. Each vanity pairs with any Native Trails surface-mounted sink less than 7 inches deep and comes equipped with soft-close, full-extension drawers and soft-close doors.
