SHAPE OF
WATER

WARM MODERN

A mix of materials lends a warm and textural aesthetic to this modern main floor powder room that doubles as a pool bath. To ground the space, designers Gara Morse of Gara + Company and Caryn Bortniker of Caryn Bortniker Design paired a marble vanity from ABC Worldwide Stone with a honed dolomite floor. The custom wood cabinetry from Gara + Company runs from floor to ceiling to accommodate storage for towels and toiletries. gara.company.com, carynbortnikerdesign.com.

RELANDING

WATERWORKS

To complement the popular Henry collection, Waterworks has added the Henry Chronos line. Modern details include an engraved grooved ring and bezel, dimpled handles and a tapered silhouette. It's shown here in a nickel finish with American black walnut handles. greenwich, waterworks.com.

BRIZO
Brizo's Mytek Steam System is a fully immersive steam shower which can be tailored to your exact temperature and steam preferences. Spa options include aromatherapy, chromatherapy and audiotherapy. Available through FW Webb, fwwebb.com, brizo.com.

TOTO

The newest Neorest LS smart bidet toilet by Toto boasts leading-edge technology and a wave-inspired design with a choice of silver nickel or matte black accents. Available through FW Webb, Stamford, fwwebb.com, totousa.com.

DEKTON

Designed by Daniel Germani, Dekton's Pietra Kode high-performance compact stone is perfect for large-scale applications in a bathroom. The beauty of natural Italian stone is recoded for innovative and sustainable surfacing. Shown here, Marmorio and Grigio. Available through Marble Masters of CT, marblemastersofct.com, cooerino.com.

VISUAL COMFORT & CO.

Designed by Sean Lavitt, the Nyra 36-inch fixture from Visual Comfort & Co. features two suspended acrylic blades of light. Each panel emits a generous amount of illumination. Norwalk, Greenwich, visualcomfort.com.

AGAPE

Designed by Patricia Urquiola, the Cenote washbasin from Agape is handcrafted from fireclay. The earthy colors and natural imperfections of craft and material add warm textural notes. Available through West | Out East, westouteast.com, Westport, agapedesign.it.

ARTERIORS

The sleek and modern Princeton mirror from Arteriors is created with an offset, forged iron frame. Shown here in antique brass, it is also offered in black. arteriorshome.com.

KREOO

Combining the texture of wood with stone, the Linear collection by Matteo Nutzi for Kreoo is offered in six marbles and a choice of eucalyptus or walnut woods. Available through Unico Design Lab, unicodeignlab.com, kreoo.com.

DURAVIT

Drawing inspiration from traditional Japanese bathing rituals, Sebastian Herkner designed the Zencha collection for Duravit. Reminiscent of an onsen bath, the free-standing tub features rounded corners and its considerable depth invites the bather to immerse in the soothing water. Available through Torco, torcodeigncenter.com, duravit.us.

ROCKY MOUNTAIN HARDWARE

Born from a collaboration with architectural firm RAMSA, Rocky Mountain Hardware's Ophelia collection features natural, organic forms for cabinetry knobs and pulls. Available through Cansan Distributors Corp, cansandistributors.com, rockymountainhardware.com.

WEST ELM

Subtle variations in the marble ensure that each West Elm Streamline vanity is unique. The metal frame is finished in an antique brass that supports a natural oak veneer shelf. Westport, westelm.com.

GESSI

The Italian-designed Origin collection from Gessi faunts an array of gracefully arched silhouettes, rich glossy hues and beautiful metallics. Color disc inserts can be added to the knobs for a truly original design. Available through Bender, benderplumbing.com, gessi.com.
