product Napoleon III
standout The celeb designer's series of 9.5-inch wide-plank European oak flooring comes in six hues channeling the signature aesthetic of historic architecture figures, including this desaturated blonde/tan named for the progenitor of Second Empire style. duchateau.com

product Smiley
standout Radiating positivity and whimsy, these emoji-esque solid-brass knobs are the brainchild of the company founder, who aims to bring an innovative touch to the age-old hardware industry. Through MyKnobs. myknobs.com

product Modern Fluted Brick
standout The Michigan-based designer known for clean-lined yet energetic interiors collaborates with the concrete specialist to offer an oversize scalloped brick inspired by fluted columns—ideal for facades and interior feature walls alike. concrete-collaborative.com

product Kunano
standout A graphic-patterned matte-porcelain tile by the founder of D.C.-based hospitality-focused Bandura Design nods to weaving and fiber-art traditions and the unsung work of women's hands. Through Milestone Tiles. milestonetiles.com/en ➔
