Duravit Toilets

ADA-compliant and perfectly paired alongside the Duravit No.1 washbasins, the Duravit No. 1 toilets include one-piece, two-piece and wall-mounted toilet solutions for versatility across design. The Duravit No.1 toilet affords extended innovation in hygiene and quality, and is equipped with Duravit Rimless® flushing technology.

Wall-Mounted Sinks

Duravit's array of flexible bathroom solutions accommodates changing lifestyles with style. Wheelchair-friendly and ADA-compliant, the D-Neo Wall Mounted Sink combines functionality and sleek aesthetics. Precise in its linear and geometric design, the wall-mounted washbasin offers a modern yet timeless form that boasts durable functionality and an accessible height that complements aging-in-place.

Showers

Slim in its design, the Architec shower tray offers the market a modern design solution for shower alcoves. With its 2.5" curb height, the shower tray offers consumers an easy step-in alternative for showering, rather than traditional bathtub/shower applications. Additionally, the design's Class C slip-rating and anti-slip qualities helps to prevent tripping.

Undici Inox

Both versatile and transversal, the Undici Inox series of wash-basins by Benedini Association (for Agape) expands with a new freestanding line. The basin accentuates the geometric character of Undici Inox with a clean, rounded shape in stainless steel or brushed brass for a minimal, practical architectural composition.

Acquabella Zermatt

Aquabella debuts the Zermatt - its newest wall-mounted sink. Simple and tranquil, the Zermatt also shows off modern elegance. Wall-mounted sinks are becoming increasingly popular, particularly in smaller spaces where their compact design helps conserve floor space and give the illusion of spaciousness.

Ruvati epiStone

Ruvati brings bold style and a modern elegance to the bathroom with a “rainbow” of hues now available as the epiStone sink. The chic collection of colors includes matte black and classic white finishes along with eye-catching hues such as Avocado Lime Green, Pacific Blue and light pink called Sedona Clay. Made in Italy by skilled artisans, epiStone sinks are crafted from 70% crushed natural stone and minerals blended with proprietary resins that mimic the look of natural stone with a non-porous surface that is easy to maintain and with a satin finish. Aside from beauty, the oval silhouette of the sink also offers enhanced water drainage.

Faucet Fashion by California Faucets

California Faucets infuses a fresh new vibe into the modern kitchen faucet with La Spezia. The latest addition to the company’s Kitchen Collection, La Spezia features a sleek and cylindrical shape complemented by a cantilevered handle for a minimalist yet contemporary approach. Designed to blend curves and contours with a strong geometric silhouette, La Spezia offers a wide array of sizes, configurations, sprayhead styles, and more than 25 artisan finishes. Made of solid brass, La Spezia feels sturdy, yet is light and ergonomic to use. La Spezia blends curves with a cantilevered handle for a fresh take on contemporary faucet design.
