Finding beauty in simplicity, **Fantini's** Venezia multifaceted glass handles have a timeless look thanks to their columns of cylindrical cut glass. Shown in sky blue, they are also offered in amber and white in transparent or opaque versions. FANTINI.IT

8

Designed by Gachot Studios for **Waterworks**, the Bond Union series lavatory faucet features guilloché and enamel detailing on the knobs, shown in Aegean for a pop of blue on the nickel structure. WATERWORKS.COM

9

Part of **Duravit's** No. 1 collection spanning sinks, toilets, tubs, and mirrors, the timeless, rounded edge washbasin comes in a range of dimensions and can be accessorized with pedestals or siphon covers. DURAVIT.US

10

For **Agape**, Patricia Urquiola created Cenote, a collection characterized by a refractory clay surface left rough on the exterior and paired with an enameled interior for textural contrast. The washbasins are offered in two sizes and in natural clay or dark clay construction. AGAPEDESIGN.IT

Thermasol's HydroVive elevates showering. Integrated with 200 full-color spectrum LEDs and four speakers, waterproof digital controls allow for a customizable experience. In addition to the showerhead and handshower, an overhead rain shower with 300 neoprene jets heightens the sense of serenity. THERMASOL.COM
