From **LG**, the Universal UP Kit includes detachable handles that can be fitted onto the brand's refrigerator, dishwasher, laundry pair and Styler to facilitate use by people facing physical challenges. lg.com

20

New from **PULLCAST**, the Skyline Door Lever features an architecturally inspired silhouette, combining polished brass and Carrara marble details in a striking composition. pullcast.eu

21

The ADA-compliant Walk-In Whirlpool Bathtub from **EMPAVA** has a low, 4-inch threshold, three handrails and a slip-resistant floor. The 53-inch jetted tub has a 32-inch depth, allowing seated bathers to use the hand shower with comfort and safety. empava.com

22

GESSI introduces the Origini Collection of bathroom faucets. With seven different tap styles and five color families, it features a finish insert for the control knobs, allowing for multi-colored fittings. gessi.com

23

Designed by Patricia Urquiola for **AGAPE**, the Bloque System of modular shelving can be customized to fit any bathroom space. Combining stone and wood, it is offered in widths from 80 to 220cm. agapedesign.it

24

The Moon Valley pattern from **VADARA** is a boldly colored, cost-effective quartz surfacing that is an appealing and abundant alternative to rare natural stone. Available in 2cm and 3cm thicknesses. vadaraquartz.com
