30

MOST INNOVATIVE PRODUCTS

2024

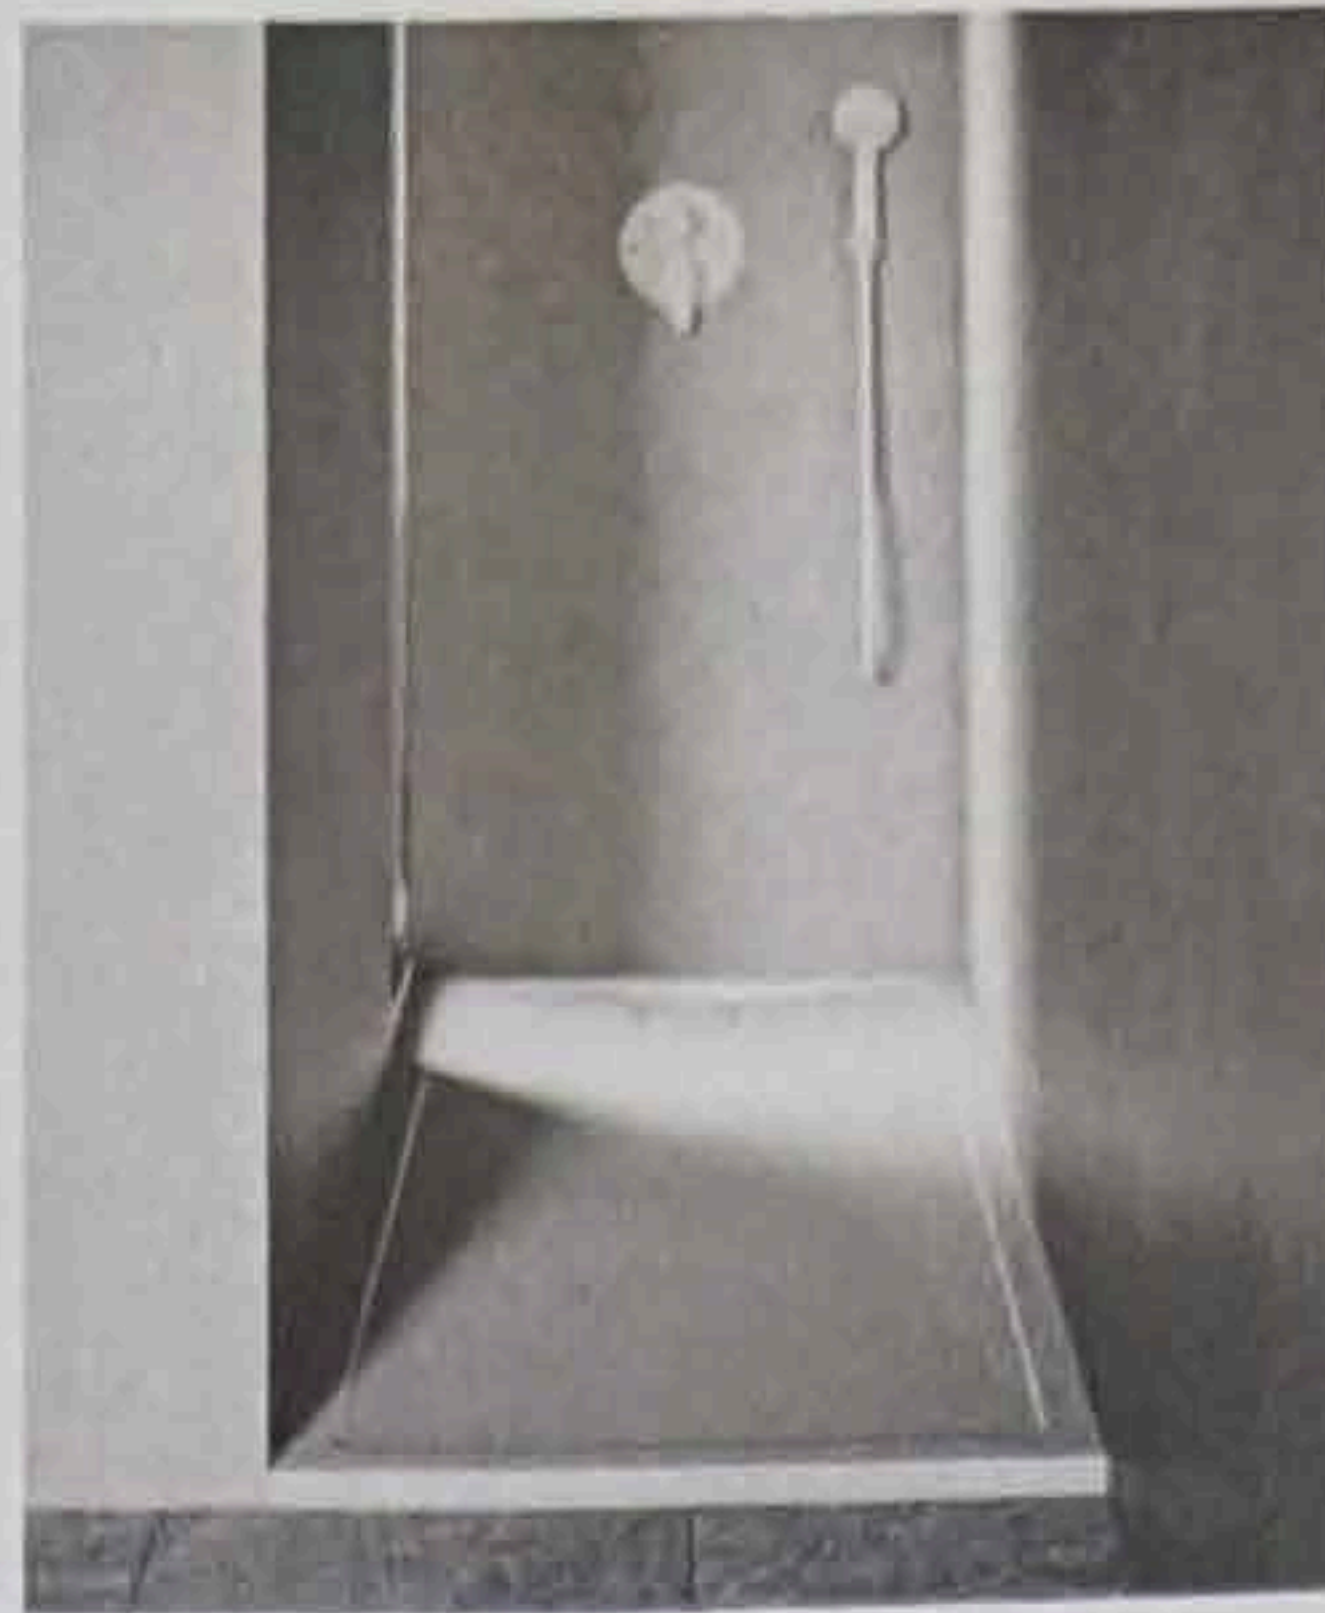

These editor-selected winners offer high style, cutting-edge technology, and that little something extra.

▲
Strasser vanities are now available in any Benjamin Moore paint (page 22), including the color of the year, Blue Nova.

7

Slip-Resistant Add-On ▶

Available in a range of colors and sizes, the contemporary, low-profile base has a nonporous, textured surface to prevent slippage and prioritizes ease of installation, maintenance, and cleaning. Lado Shower Base (\$2,090). MTI Baths; mtibaths.com

8

Bonus-Feature Fridge

The dual icemaker creates whiskey balls, a sensor-activated water pitcher automatically refills when put back in place, and crisper drawers' temps can be set to refrigeration or freeze. The roomy layout is just icing on the cake. 48-Inch French-Door Refrigerator (\$11,999). Dacor; dacor.com

9

Dream Bathtub

This tub is carved from a single block of Italian Prunella marble—look at that burgundy, gray, and eggplant veining! Magnificent is an understatement. Alatri Freestanding Oval Tub (\$43,000). Waterworks; waterworks.com

10

Tactile Handles

The hand-hammered style of this series' knobs and pulls showcases the storied talent of hardware foundry P.E. Guerin and its skilled artisans. ONE x P.E. Guerin (pricing available upon request). Kallista; kallista.com

11

Intuitive Range ▶

Smart settings allow users to set a zone's heat levels or make it so the heat levels transfer with the pot as it goes from one zone to another. Pro Harmony Liberty Induction Range (\$8,399–\$11,599). Thermador; thermador.com

12

Bespoke Vanity

Select a vanity type and then pick from one of Benjamin Moore's more than 3,500 paint colors, as part of the vanity company's new color match options. Strasser's Benjamin Moore Color Program (pricing varies). Strasser; strasserwood.com
