ELEMENTS OF STYLE

WE'VE HIGHLIGHTED THREE INSPIRATIONAL BATHROOMS BY LOCAL DESIGNERS AND ARCHITECTS—EACH EXHIBITING A DISTINCT POINT OF VIEW AND TAILORED TO THE HOMEOWNERS' PERSONAL PREFERENCES. TO DISCOVER YOUR SIGNATURE STYLE, TAKE A LOOK AT THE LATEST FIXTURES, FLOORING, CABINETRY, LIGHTING AND HARDWARE HITTING THE MARKETPLACE.
BY MARY FITZGERALD

BURR SALVATORE ARCHITECTS

This waterfront home warranted a bathroom equal to its stunning view. Designed by Burr Salvatore Architects and built by Hobbs, Inc., the bathroom presents quiet luxury with bespoke appointments in a sophisticated palette. Matching Urban Archeology washstands in polished nickel and glass are paired with honed Imperial Danby stone tops and Waterworks faucets. The herringbone floor pattern is reflected in the metallic sheen of the tub. burrsalvatore.com. (See Resources)

KEELER BRASS COMPANY

Keeler Brass Company's Anthology series of architectural hardware gives clients the option to select each component—the bar, posts, finish and material—for a truly custom piece. Two new leather options have been added to the collection, a gray leather and a brown leather wrapped on the bias for a basketweave look. keelerbrasscompany.com.

NEWPORT BRASS

Flaunting a fusion of modern design and functionality, the East Linear collection from Newport Brass is sleek and streamlined. The wall mount version, shown here, is finished in French Gold PVD. Available through Best Plumbing Tile & Stone, bestplg.com, newportbrass.com.

HUDSON VALLEY LIGHTING GROUP

With hints of Art Deco, the Castor LED sconce from Hudson Valley Lighting Group lends a bit of glam with a ridged tubular design and aged brass accents. hvlgroup.com.

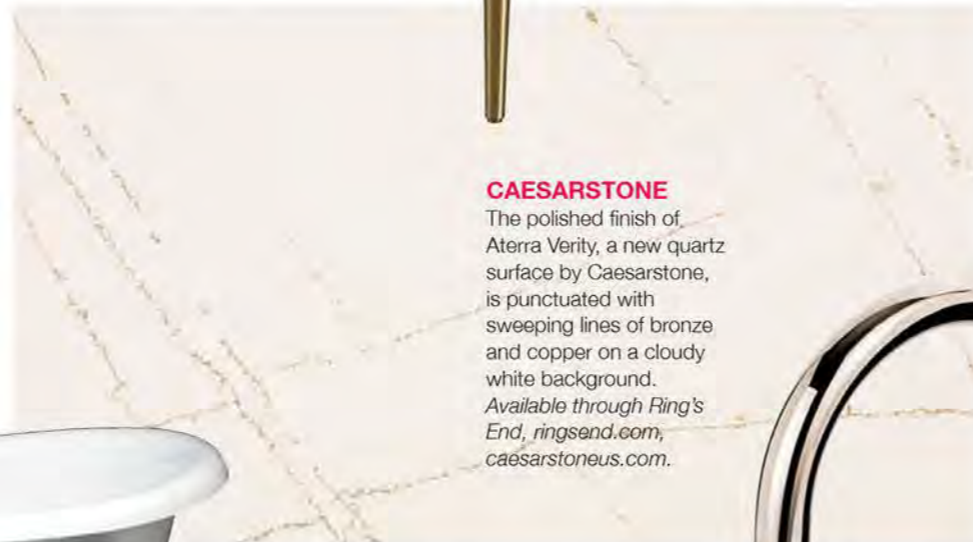

THOMPSON TRADERS

Handcrafted metal and soft curves define Thompson Trader's Quintana Collection by Kara Cox. The vanity is finished in an elegant mix of satin brass and burnished nickel. Available through Ferguson, fergusonshowrooms.com, thompsontraders.com.

CAESARSTONE

The polished finish of Aterra Verity, a new quartz surface by Caesarstone, is punctuated with sweeping lines of bronze and copper on a cloudy white background. Available through Ring's End, ringsand.com, caesarstoneus.com.

AMERICH

The contoured shape of the Americh Sawyer freestanding tub is offered in a choice of four exterior shells to suit your style: smooth nickel, hammered nickel, smooth unlacquered brass and white acrylic. Available through Bender, benderplumbing.com, americh.com.

BURR SALVATORE ARCHITECTS:
SCOTT FRANCES

ROHL

Straight from the runways of Paris and Milan, Rohl's Modelle collection takes its cue from haute couture. Furniture and interior designer Xander Noori created the collection with an emphasis on graceful lines in glamorous finishes. Shown here, the Modelle widespread faucet with C-Spout in Antique Gold. Available through White's Plumbing, whitesplumbing.com, houseofrohl.com.

DRUMMONDS

British brand Drummonds collaborated with interior designer Steven Gambrel to develop a series of jewelry-like bathroom accessories. The eight-piece Colvin collection includes this luxurious bath rack, handcrafted in solid brass at the Drummonds brassware foundry. A&D, drummonds-uk.com.

DURAVIT

Setting the standard for cleanliness, ease of use and responsible design, the Duravit SensoWash toilet combines innovative technology and functionality. Ensuring ultimate comfort in the bathroom, personalized settings are accessible through an app or compact remote control. Available through Frank Webb Home, frankwebb.com, duravit.us.

ANN SACKS

Adaptable to modern or traditional interiors, Context tile by Ann Sacks is a classic that never goes out of style. The Context ceramic line offers a variety of field and mosaic formats and a rich palette of artisanal glazes. Shown here, the Large Penny pattern in a Mink colorway. Ann Sacks showrooms, annsacks.com.

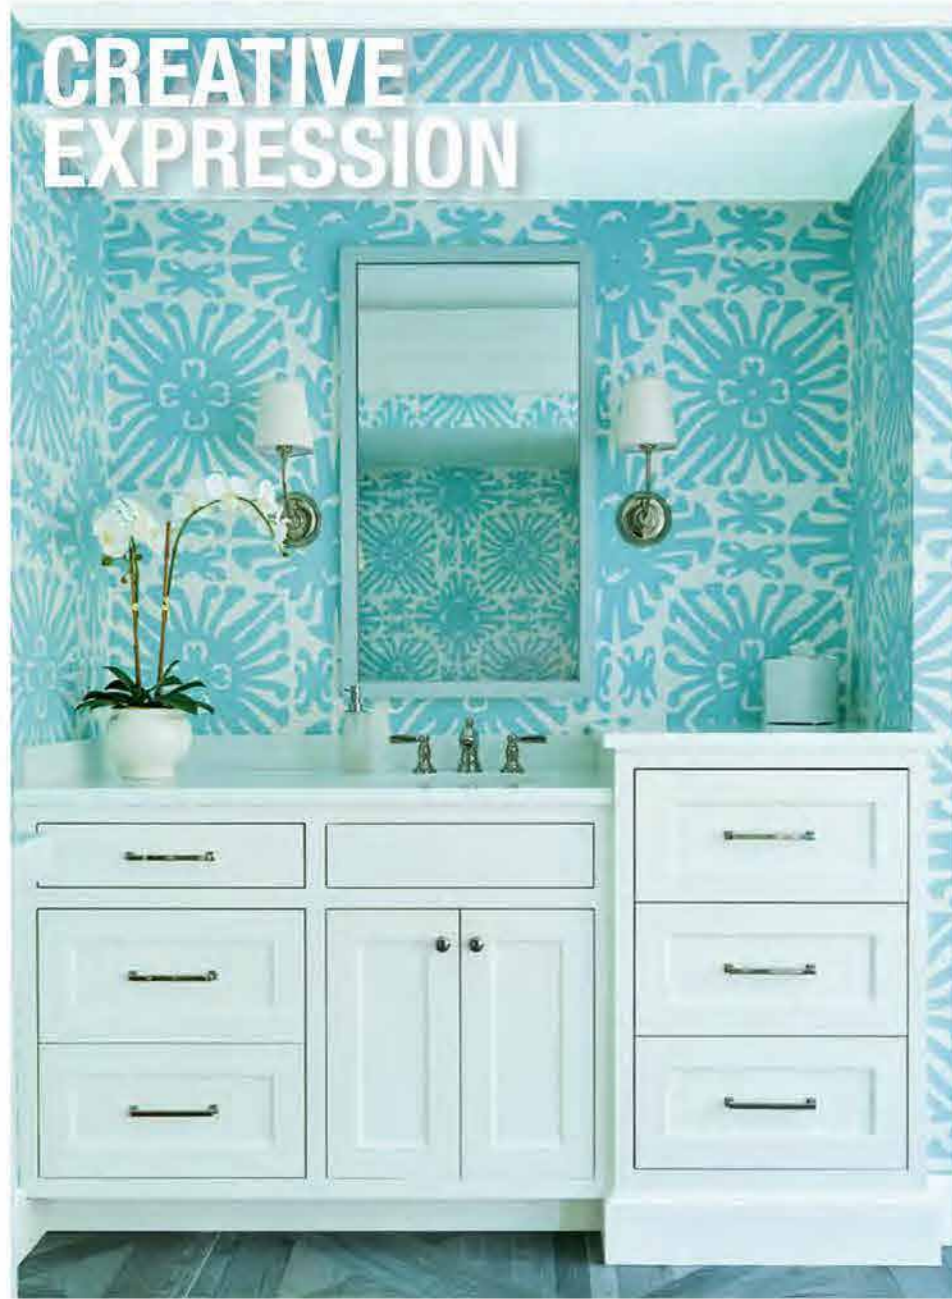

BARBER WILSONS

The Milne edition from Barber Wilsons features a tubular design and cross-top handles crafted of solid brass in their London workshop. Available through Modern Plumbing, modernplumbing.biz, barberwilsons.com.

CREATIVE EXPRESSION

MOSS DESIGN

Moss Design added charisma to this traditional bath with color and pattern. The bold, large-scale Sigourney wallpaper by Quardrille is tempered with white painted cabinetry and classic Visual Comfort sconces. The result is the perfect combination of functionality and fun. mossdesignct.com. (See Resources)

WATERWORKS

Paying homage to the industrial controls of the early 1900s, the Waterworks Regulator wall-mounted lavatory faucet includes decorative wheel handles. waterworks.com.

ARTAIC

Inspired by the traditional Greek key motif, Athena's stylish geometric mosaic tile is fashioned from vitreous glass, shown here in the Cabana blue colorway. artaic.com.

RUVATI

Handmade in Italy, the Ruvati Murano Art Glass Seashell Vessel features an arc-shaped bowl. The handblown glass is infused with colorful paint to create a beautiful gradient design, shown here in Seafoam Green. Available through the German Kitchen Center, germankitchencenter.com, ruvati.com.

JAMES MARTIN

The Olena 48-inch single vanity from James Martin is clad in a light Mappa Burl with a polished white frame. The vanity boasts ample storage with five drawers and an integrated lower shelf. Acrylic and brass pulls and a white Silstone top and undermount sink complete the look. jamesmartinfurniture.com.

KOHLER

Created with 3D printing, the Rista round vessel sink from Kohler emulates nature's layering effects, formed in a vitreous china. Available through the Kohler Signature Store, kohler.com.

MOEN

Moen's Verso Rainshower with Magnetix uses magnetic-docking technology to allow the user to easily remove the showerhead for cleaning. For a customizable shower experience, the Infiniti Dial switches spray modes without water interruption. Available through Torcco, torccodesigncenter.com, moen.com.

EMTEK

The all-new Habitat Collection from Emtek includes this T-knob with soft, smooth forms, shown here in a Satin Brass finish. Available through Ring's End, ringsend.com, emtek.com.

VICTORIA + ALBERT

The sculpted oval form of the Seros tub by Victoria + Albert captures the rippling motion of water with flowing lines and contours. Available through Frank Webb Home, frankwebb.com, vandabaths.com.

WOODIO

Made in Finland, the Woodio line is manufactured with an innovative, sustainable bio-material of 100-percent solid wood composite that is impervious to water. The Flow tub is shown in the brand's newest color, Blossom. Available through Perigold, perigold.com, woodio.fi.

KALLISTA ONE X P.E. GUERIN

Kallista's One faucet's contemporary design meets the legacy of storied maker P.E. Guerin. Solid brass handles are made from start to finish at the historic NYC foundry. The faceted texture of the handle is created by skilled artisans using heritage hammering and chasing techniques. The collection offers two dual-finish hues — Brushed French Gold with Nickel Silver and Polished Nickel with Unlacquered Brass. Available through Kohler Signature Stores, kohler.com, kallista.com.

LONDON BASIN CO.

Taking its inspiration from the decorative arts of India, the Marnie porcelain countertop sink combines splashes of pinks, blues and greens against a sky-blue background. londonbasincompany.us.

VISUAL COMFORT

Sean Lavin's Bau 18 pendant for Visual Comfort celebrates the influence of the Bauhaus movement. Four geometric metal stamped fins house integrated LEDs for a generous amount of indirect illumination. Available in natural brass, as shown, or black. visualcomfort.com.

ARMAC MARTIN

Made in England, Armac Martin hardware is made from solid brass and finished by hand. The Mix Wall Hook Rack is offered in one-, three- or five-hook sizes with a vast variety of finish options. Available through Canaan Distributors Corp., canaandistributors.com, armacmartin.com.

MOSS DESIGN: JANE BELES

D2 INTERIEURS

In this primary bathroom, Denise Davies of D2 Interieurs created a spa-like retreat for a young couple. It serves as a calming space to relax and unwind thanks to natural and neutral furnishings. A custom vanity in white oak is topped with Calacatta Breccia Viola marble. Black accents are interspersed in the form of framed mirrors from RH Modern, Visual Comfort sconces and dark-finish fixtures. Davies anchored the room with flooring fashioned from milky-white Dolomiti marble. [d2interieurs.com](https://www.d2interieurs.com). (See Resources)

FANTINI

New to the Fantini portfolio, the O-XY fixture collection is a Marco Williams Fagioli design. Inspired by geometric linearity, the rectangular handle is texturized and rests on the faucet body. Offered in brass and other PVD finishes. Available through [Waterware Showrooms, waterwareshowrooms.com](https://www.waterwareshowrooms.com), [fantini.it](https://www.fantini.it).

BORROWED EARTH

Borrowed Earth tiles and panels are sourced from natural materials and reimagined through technology and craftsmanship. The Aurum series includes Weave with rhythmic forms carved in travertine. Available through [Laura Michaels Design, lauramichaelsdesign.com](https://www.lauramichaelsdesign.com), [borrowedearthcollaborative.com](https://www.borrowedearthcollaborative.com).

D2 INTERIEURS: JANE BELES

ACQUABELLA

Crafted from Acquabella's signature mineral composite material, the Stelvio oval vessel basin displays a textured surface mimicking the cuts of a multi-faceted diamond. Shown here in gloss white. Available through [Frank Webb Home, frankwebb.com](https://www.frankwebb.com), [acquabella.us](https://www.acquabella.us).

CONCRETI

Embracing the natural beauty and unique characteristics of concrete, the Concreti Molokai tub is made from a blend of cement, sand, aggregate and pigments sourced from Nevada quarries. [concretidesigns.com](https://www.concretidesigns.com).

BRIZO

Balancing Scandinavian minimalism with Japanese wabi-sabi design, the Kintsu collection by Brizo has expanded to include a new Matte Black finish. Customize the knob handle with a teak, concrete or mother-of-pearl inlay. Available through [Best Plumbing Tile & Stone, bestplg.com](https://www.bestplumbing.com), [brizo.com](https://www.brizo.com).

NEOLITH

Inspired by the classic hallmarks of Italian marble, Neolith's Calacatta Royal exhibits gray veining on a light background. The sintered stone, available in Ultrasoft, Décor Polished and Silk finishes, is resistant to scratches and ultra-hygienic, and it's a carbon-neutral product—90 percent of the waste generated is recycled and 48 percent of the weight of the slab is derived from recycled materials. [neolith.com](https://www.neolith.com).

NEMO TILE + STONE

Dylan, the latest debut from Nemo Tile + Stone, is informed by the elements of nature. The large-format porcelain tile includes six color options and several size offerings, shown here in Titanium. The tile is suitable for both indoor and outdoor applications, on walls and flooring. Available through [Master Tile, mastertilepro.com](https://www.mastertile.com), [nemotile.com](https://www.nemotile.com).

MTI

Made from MTI's proprietary SculptureStone, the freestanding Lucia tub shows off its soft curves, gently rolled rim and asymmetrical slipper shape. Available in a matte or hand-polished deep gloss finish. Available through [Torro, torrcodesigncenter.com](https://www.torrcodesigncenter.com), [mtibaths.com](https://www.mtibaths.com).

STONE FOREST

The Verona vessel sink from Stone Forest exemplifies contemporary craftsmanship with a sleek design carved from natural stone. Shown here in a multi-colored onyx. Available through [Bender, benderplumbing.com](https://www.benderplumbing.com), [stoneforest.com](https://www.stoneforest.com).

ROBERN

Hailing from Robern's Craft Series, the Berman vanity is notable for its rounded oak door panels outlined in curved metal. It's partnered here with the Murray Hill arched framed mirror and medicine cabinet for added functional storage. Available through [Waterware Showrooms, waterwareshowrooms.com](https://www.waterwareshowrooms.com), [robern.com](https://www.robern.com).

KAST

Handcrafted in high-quality concrete, the Kast Wave collection features undulating forms and wavy silhouettes in earthy colors. Tilde in Brick is a sculptural take on a traditional bucket sink with an integrated splash back and a scalloped basin edge. Suitable for wall hanging, this sink is a great choice for a compact bathroom. Available through [Bender, benderplumbing.com](https://www.benderplumbing.com), [kastconcretebasins.com](https://www.kastconcretebasins.com).

CEADESIGN

Designed by Belgian architect Glenn Sestig for Italian-brand Ceadesign, the Sixty wall tap is fashioned entirely from stainless steel and finished in a black ivory satin. In addition to taps, the Sixty collection also includes bathroom accessories. [ceadesign.it](https://www.ceadesign.it).
