**Frownies Facial Patches**

The natural, non-invasive way to smooth skin. Using a water-activated adhesive, they function as a soft splint, allowing facial muscles to relax and the skin to lay flat, naturally easing wrinkles.

**MTI Baths new Magda Tub**  
Magda's fluid lines are graceful and sleek, with its only ornamentation being the fluted detailing that is so distinctive of the Deco era.

**Terra, Flora and Luna**

Get ready to relax with Planted's custom blend of lavender, jasmine and neroli, inspired by the moon and perfect for your bedside table.
