with brands that offer classic designs, quality and a personality that enlivens the dwelling space. Celebrate the season with these show-stopping products that are sure to make your remodeling project or new home build a huge success!

Stelvio Vessel Basin by Acquabella

Inspired By Nature

Acquabella brings the mesmerizing beauty of nature into the bathroom with their latest design masterpiece – the award-winning design Stelvio oval vessel basin. Its singular textured surface mimics the intricacy of a sparkling multi-faceted diamond or the natural cuts of a mighty iceberg. As the natural centerpiece of any design space, Stelvio is built to look good from every angle. It measures 22” long by 15” wide and 6” deep, providing ample space for your daily bathing rituals. Stelvio is crafted from Acquabella’s signature mineral composite material which offers a silky, smooth-to-the-touch flawless finish and an easy-to-clean antibacterial surface that is incredibly durable and resistant to UV rays and thermal shock. The standard finish is gloss white but can optionally be ordered in matte white, matte gray, matte charcoal, matte sand and matte black.

Ruvati’s workstation sink in Emerald Green

The Grandeur Of Green

Add a delightful infusion of color to the kitchen with Ruvati’s Fiore workstation sink in a stunning new shade of emerald green. This unexpected color pop is fresh and whimsical yet rich and luxurious, evoking a sense of the outdoors. Handcrafted in Italy by talented artisans, fireclay sinks are crafted from locally sourced raw clay and fired at extreme temperatures to create a masterpiece of amazing strength and durability. The smooth enamel finish is impervious to chips, scratches and stains, allowing the sink to easily withstand the demands of today’s busiest home kitchens. Ruvati offers fireclay farmhouse sinks in widths from 24” to 36” and in single and double bowl configurations. Integrated ledges along the front and back of the sink support useful accessories that allow the area to be fully utilized for prep and clean-up. Each sink includes a beautiful cutting board constructed of African Mahogany that fits neatly atop the basin, a protective bottom rinse

grid, and a patented, foldable drying rack perfect for drying dishes. Optional accessories, such as a mixing bowl with platform and a condiment serving tray are also available.

Bathing In Bloom

MTI Baths' latest contemporary double slipper tub, Maricela's design suggests an opening flower. It features a modest half-rolled lip and evenly proportioned styling with gently angled backrests and room enough for two bathers. Maricela is crafted from cast-engineered stone using a

proprietary mineral composite blend of organic dolomitic limestone. A meticulous finishing process results in a flawless non-porous surface that is exceptionally durable and easily cleaned. The tub may be ordered in a glossy white finish or beautiful matte options in white, gray or black. Measuring 72" long, the Maricela is offered as a deeply relaxing soaker tub or as an indulgent air bath with a hydrotherapy package featuring 20 air jets with heated blower and oh-so-handy waterproof remote control.

New York Long Plate with Craftsman Knob in Antique Brass from Nostalgic Warehouse

Continued from page 11

Classic Beauty

Remodeling season is in full swing! One of the easiest and most budget-friendly ways to update any design space

is to change out the hardware and Nostalgic Warehouse has a vast selection of stunning options to choose from. Whether your project is more traditional or if you're looking for some bold new options, the possibilities are endless. Nostalgic Warehouse combines its expertise with its high standards for quality and craftsmanship to create an extraordinary product line that will last beautifully for years to come. Each piece is forged from solid brass for exceptional durability and is meticulously finished to gleaming perfection. All Nostalgic Warehouse products are hand-assembled in the USA and covered by a five-year warranty. Shown here is the comfortable-yet-chic New York Long Plate with the Craftsman Knob.
