LIGHT DIMMER >

Buster + Punch has launched a "first of its kind" Dimmer

Switch in the U.S. Designed for both standard single and three-way circuits, the light-dimming switch offers "next-gen" dimmer technology, the company says, for LED dimmable bulbs, low-voltage fixtures, and LED drivers. Several finishes are available: Brass (shown), Steel, Smoked Bronze, Black, and White. busterandpunch.com/us

BATHROOM VANITIES >

Spectrum Fine Cabinetry's new vanities combine minimalistic style with functionality. The vanities come in two styles: the Floating Vanity (shown) and the Contemporary Vanity. The Floating Vanity features an oval backlit mirror, waterfall-style quartz countertop, and soft-close drawers with custom dividers. The Contemporary unit features a backlit mirror and a quartz countertop with an integrated sink. spectrumkitchens.com

< ENGINEERED STONE

Vadara Quartz Surfaces is expanding its portfolio of quartz-based fabricated stone with seven Calacatta quartzite and marble designs inspired by the natural world. Gossamer Sands, Scandi Blue, Desert Blush, Safari Delta (shown), Golden Scribe, Moonlit Lace, and Terra Vista feature bold veining and colors ranging from hints of green and maroon to rust, and come in 2 cm- and 3 cm-thick slabs. vadaraquartz.com
