GARDEN STYLE
Green Advice From
Miami's Landscape Pros

Inside...

RIGHT: Prep, cook, and entertain on-site with the Urban Oasis kitchen by **OFFICINE GULLO**, which comes complete with a professional-grade grill, burner, wine cellar, dishwasher, sink, and ice chest. us.officinegullo.com

BELOW: This new edition of Joe Colombo's Monobloc kitchen for **BOFFI** boasts a cover made of a marine technical textile that stands up to harsh elements. boffi.com

Alfresco Appetites

STYLISH AND SERVICEABLE INNOVATIONS IN OUTDOOR KITCHENS MAKE MEALS ON THE TERRACE A BREEZE

LEFT: Take your baking to the next level with the Napoli outdoor oven from **LYNX GALLERY**. Capable of baking at up to 700 degrees, the stone oven yields unmatched texture and flavor in everything from breads to pizzas. lynxgrills.com; fusespecialtyappliances.com

BELOW: The first outdoor kitchen from **POLIFORM** requires no electrical connections thanks to a barbecue powered by gas or battery. poliform.it/en-us

LEFT: The marine-grade Merino ice chest and sink by **RUVATI** features double-walled insulation that prevents ice from melting for up to 24 hours. ruvati.com
