ON PAR WITH EXCELLENCE

EXPANSIVE ESTATE CELEBRATES
15 YEARS OF EXCEPTIONAL ACHIEVEMENT

Diamond Custom Homes is celebrating 15 remarkable years of crafting luxury residences in Southwest Florida, marking a significant milestone in their journey. Their latest achievement is a spacious estate in Quail West, showcasing their unwavering attention to detail and personalized approach, which ensures that every custom home is a true reflection of the homeowner's vision. President Michael Diamond of Diamond Custom Homes delivers yet another residence that is on par with excellence.

"The expansive lot sizes in Quail West allow us to be more creative with the architectural design," explains Diamond. "You don't often see lots this wide, which lets us really stretch the design and create something spectacular." This spaciousness influences the overall approach to the home's layout, both inside and out. Seeking a departure from their traditional home up north, the clients envision a more relaxed, family-focused atmosphere for this golf course oasis. ►

Primary Bathroom: To align with the client's vision of an elevated, spa-like retreat, Ged thoughtfully creates a Euro-shower experience that immediately draws the eye upon entering. The sleek MTI Baths tub from Ferguson Bath, Kitchen & Lighting Gallery, paired with a gleaming chrome filler installed by Tru-Flo Plumbing, is beautifully centered beneath a frosted window. The custom frameless glass enclosure is crafted by Builders Glass of Bonita, along with the custom vanity mirrors. With its subtle veining, White Dolomite allows key features like the tub and dark cabinetry vanities to stand out as distinctive design elements.
