Paradox in PARADISE

Art Deco and tropical elements elegantly converge,
yielding a chic and surprising beach getaway.

Above: Backdropped by Élitis' Eldorado wallcovering and Coraggio drapes, a Slamp light floats from the primary bathroom's ceiling. The MTI Baths tub and Brizo filler are from Millers Elegant Hardware & Plumbing. A CB2 stool stands on Verdi Blanco porcelain flooring from USA Tile and Marble Inc.

Opposite: Fiber artwork suspends above the clubroom's bespoke sofa, topped with pillows in a Villa Nova material. Lee selected Phillip Jeffries wallcoverings and laid a Stark rug beneath Eric Kuster's Conran pouf. A Visual Comfort & Co. lamp rests on the Plexi-Craft table.
