# Designing With Color!

## New Builder Trend: Kitchen And Bath Spaces Come Alive With Hues Of Vivid Blue!

The fun of designing with color starts here ... with stunning fixtures, fittings and hardware making their colorful debut in the luxury builder market. Visions of sky blue hues enliven the home creating a space with

bold personality. These beautiful new products are definitely the feel-good factor packing a punch with a bold expressive statement. No one will be singing the blues with this playful hue.

**Bello's Flutello Bathtub in Blue/White**

### Fluted And Fabulous

Bello introduces a tub design that makes the design process dynamic with its textural vibe and colorful personality - Flutello. Shown in a two-tone blue and white, the visual harmony and balance of the tub creates a bathroom that invites wellness and joyful renewal. Color plays a huge role in design and this hue on the Flutello is beautiful blue bliss. Measuring 67" x 30" x 24", Flutello is crafted from durable Bellocast™, a naturally slip-resistant surface for a rejuvenating soak. Featuring the timeless elegance of fluted architectural elements, easy installation, and a color-matched drain assembly, Flutello embodies a luxurious aesthetic that elevates bathroom decor. Discover more at [bellousa.com](http://bellousa.com).

### Lively Blue Knob Celebrates Creativity

Part of furnipart's News Collection, the Colette knob was designed by VE2 design studio. Embodying the creative

vision and signature of its designers, it is available in three rich, lustrous finishes: Maroon Red, Slate Blue and Dusty Yellow. This collection celebrates creativity and embraces the beauty of individual expression. By combining the finest materials and finishes with innovative designs, the News Collection aims to create products that are not only aesthetically pleasing but also crafted with lasting durability that can bring joy for decades to come. Furnipart is a leading manufacturer of designer handles and knobs for kitchen and bathroom furniture. Visit [furnipart.com](http://furnipart.com) to see more of the new collections.

### Pump Up The Volume With Blue

Flusso Kitchen & Bath Company captures the essence of industrial design with its remarkable Tanz faucet in blue. Notable for its sleek lines and elegant curves, this chic faucet takes inspiration from the unexpected beauty of plumbing mechanics to create an abstract sculptural look that is a true stand-out in the kitchen. As part of Flusso's popular Klassiker Collection, Tanz is available in an array of beautifully durable finishes. Options include traditional metallics as well as 20 thin film ceramic-based finishes ranging from glossy white and black, to soft shades of

green and brown and bolder hues such as crimson and Classic Blue. Crafted from premium stainless steel, this exceptional faucet was created to Isenberg's exacting standards of excellence. Thoughtful features include fine ceramic disc cartridges for smooth lever movement and an eco-friendly design with 1.8 GPM flow rate. See the entire color collection of kitchen faucets at [isenbergfaucets.com](http://isenbergfaucets.com).

### **Chic Bath Sink Awash In Pacific Blue**

Ruvati infuses an array of fresh colors into the bathroom with bold new finish options for their popular epiStone series of bathroom sinks. The stylish collection of colors complements the modern profile of the sleek vessel-style basins, creating sensational statement pieces that are

**Ruvati's epiStone Canali Bath Sink in Pacific Blue**

beautifully memorable and impressively practical. Made in Italy by skilled artisans, epiStone sinks are crafted from 70% crushed natural stone and minerals blended with proprietary resins. The oval silhouette of the sink was intentionally designed for maximum comfort, enhanced water drainage and efficient cleaning. The epiSinks are available in two size models; the Canali measures 19" x 14" and has a curve to the vessel base, while the spacious, straight-sided Omnia measures 23" x 15". epiStone

sinks are meant to sit securely on the countertop with no mounting ring required, and their thick construction makes the sinks naturally sound-absorbing and a smart choice for busy bathrooms. Explore [ruvati.com](http://ruvati.com) for more information on the colorful sinks.

**MTI Baths' Mallory SculptureStone tub in Sapphire Blue**

### **Sculptural Perfection In Sapphire Blue**

Indulge yourself with the most opulent option for freestanding tubs. SculptureStone by MTI Baths sets the bar for what “solid surface” should be. Made from the highest and purest grade of natural ground minerals, this extraordinary material results in tubs with a luxurious look and softly organic feel. The difference is discernible both to the eye and to the touch. SculptureStone is completely solid and homogenous, from the surface all the way through. Nothing exemplifies the beauty of the exceptional SculptureStone solid surface like the Mallory freestanding bath. Shown is the Mallory, an elegant double slipper tub that brings soft curves and a gently rolled rim. The Mallory measures 65.75” x 35.5” x 22.75” and is available as a soaker or airbath. Discover the SculptureStone collection at [mtibaths.com](http://mtibaths.com).
