## PRODUCTS:

### ▲ TILE

**Daltile's** Artefino Collection is a multi-dimensional tile series featuring three sub-collections: Jewel (shown), Vintage, and Element. Jewel offers rich, saturated tones, while the Vintage sub-collection offers a deeper, moodier palette. Element is modern in style, with matte finishes in both soft and dark tones. ### ▲ MASONRY VENEERS

**Echelon Masonry's** Ashton Brick line of masonry veneers offers the timeless look of brick with the strength and reliability of concrete. Each unit is designed with a consistent texture and integrated color throughout. Ashton Brick is available in four contemporary shades, including Linen (shown), Desert, Graphite, and Almond. ### ▲ TUB FILLER

**Flusso Kitchen & Bath Company** is expanding its Curve line of faucets with the Curve Tub Filler. The solid brass fixture is minimalistic in design with a horizontal spout that creates waterfall-like flow. Available in left- or right-facing options to suit any layout, the Curve tub filler also features touchless technology for enhanced hygiene and convenience. ### ▲ BATHTUB

With its fluted design and vibrant color finishes, the Flutello bathtub from **Bello** brings a bold and whimsical design to the bathroom. Made from Bello's proprietary Bellocast surfacing material, the tub is designed to be slip resistant with better insulation to keep bath water warm longer, says the company. The tub also features a color-matched drain and a protective hydrophobic coating for easier maintenance. [bellousa.com](http://bellousa.com)

### ▼ GLASS RINSER

Made from durable stainless steel, **Current Faucets'** Glass Rinser is available in four finishes, including Matte Black (shown), chrome, PVD Brushed Gold, PVD Brushed Nickel. Ideal for quickly rinsing glasses, bottles, and jars, the rinser delivers a two gallons-per-minute spray with a three-inch reach and a wide actuator arm for thorough cleaning. The product also comes equipped with all the necessary components for an easy install and connects to both hot and cold water lines. [currentfaucets.com](http://currentfaucets.com)
