With multiple finishes, smooth or fluted surfaces, and J-, T-, or cross handle-shaped options, the Flutti faucet Collection by **Lacava** pairs Italian elegance and innovation with craftsmanship and fluid design. LACA.VA.COM

2

The Elle console from **Devon&Devon** is a spacious ceramic washbasin that sits on a meticulously crafted turned brass frame, which is enhanced with details like the curved retro-style towel rail and crystal shelf. DEVON-DEVON.COM

3

The Sign Emotion Railing System by **Nobilis** combines sleek storage with modular shelf units in varying heights and widths. Customizable placement and add-ons including glass doors, LED lighting, and USB charging are also available. NOBILIANORTHAMERICA.COM

4

The Round exhaust fan cover from **InviAir** offers a seamless look while fully fitting most standard bathroom exhaust fans. The minimalist design, magnetic latch, and compatibility with motion sensors make it easy to install, paint, and use. INVIAIR.COM

5

Defined by clean lines and cubic contours, DuraSquare faucets by **Duravit** feature AirPlus technology for a powerful, water-saving flow and are WaterSense certified for efficiency. DURAVIT.US

6

Blending natural stone, wood, and steel, the Patricia Urquiola-designed Small Hours line from **Salvatori** transforms the bathroom into a serene retreat through color, function, and geometry. SALVATORIOFFICIAL.COM

Sculpted from a single hand-selected block of Italian stone, the Carved Stone Sink from **Waterworks** boasts a generous deck space, an integrated stone overflow, and an inset backsplash. waterworks.com

8

Designed by Christopher Grubb, each piece of the Colville vanity collection from **Strasser** is hand-finished, made-to-order, and topped with quartz, while optional mirrors, finger pulls or hardware, and built-in outlets allow for full personalization. strasserwood.com

9

Part of the Acquabella collection, Lado shower bases by **MTI Baths** are made from durable mineral composite and feature natural stone textures, numerous colors, and a crescent-shaped drain. mtibaths.com

10

With six millimeter safety glass and multiple configurations, the Natura 4000 Colour Up Your Life collection of shower enclosures from **Duka** introduces new satin-finish stainless steel profiles alongside tones like copper and brass. duka.it

11

Made in the U.S. from premium solid surfacing, the sculptural Coachella soaking tub by **Hydro Systems** features a wing-like silhouette, integral pedestal, and ergonomic support. Hydrotherapy options like Cold Plunge and Hydro Fusion are also offered. hydrosystem.com

12

Available in 10 shades with polished, rectified surfaces, Marvel Diva by **Atlas Concorde** reinterprets marble on large-format porcelain slabs, ideal for custom furnishings from bathroom sinks to feature walls. atlasconcorde.com
