### RUVATI

#### IT'S TIME FOR A FABULOUS NEW FAUCET

Ruvati unveils the Chrono bath faucet collection with unique watch-face handles

The new Chrono faucet collection from Ruvati uniquely embodies a time-inspired design with its one-of-a-kind watch-face handles, making it a striking and FUN addition to any bathroom. This elegant and modern faucet not only enhances the look of your space but also brilliantly combines style and functionality. Featuring smooth, ergonomic twist handles, the innovative Chrono collection ensures ease of use while providing a bold statement piece in the bath, offering both practicality and a touch of flair.

Constructed from durable brass, the Chrono faucets are available in a stunning brushed gold finish and brushed nickel, crafted to coordinate with Ruvati sinks and other stainless steel fixtures. The tall vessel faucet is designed for deep sinks, providing an elegant height and optimal water flow for a modern bathroom look. The faucets feature an easy-clean nozzle with a stain-resistant finish, along with spot-free technology to keep them free from water spots and fingerprints. The dimensions include an overall height of 10-1/2 inches, spout height of 6-3/4 inches, and a spout reach of 4-1/2 inches. With a water flow rate of 1.2 GPM, the Chrono line meets all U.S. water efficiency requirements and is ADA-compliant and lead-free, ensuring safety, longevity and ease of use.

Discover the innovation that Ruvati brings to the kitchen, bath, and beyond. Visit [www.ruvati.com](http://www.ruvati.com) for more information about the Chrono Faucets and other extraordinary Ruvati products.

### Richelieu

#### RICHELIEU UNVEILS INNOVATIVE OPEN STORAGE SOLUTIONS THAT ELEVATE MODERN LIVING SPACES

Stylish, smart, and visually striking systems built for open-concept interiors – in the kitchen, living room, closet, and beyond – meet the growing demand for modern, functional design

Richelieu Hardware expands its selection of innovative storage solutions with a comprehensive range of new open storage systems.

Designed to meet the evolving needs of modern interiors for both commercial and residential concepts, the new systems redefine open-concept organization. With the rising popularity of open-concept living, designers, architects, builders, and homeowners are seeking flexible, visually appealing solutions that prioritize accessibility, aesthetics, and smart space management. From the boutique-inspired VERTIKO storage system and the LOGO III modular closet system to the YOUNK ladder-style shelving units and modular LIBERTA system with interchangeable pieces for floor-to-ceiling storage, these new lines speak directly to this trend.
