AWARD

## Developing *for* Mother Nature

*Syd Kitson is the mastermind behind solar-powered Babcock Ranch and its preservation of Florida's natural resources.*

# Focal Finds

These seven design-forward products turn any space into a statement.

by SYMONE STRONG

**Ortal** ↑  
[ortalheat.com](http://ortalheat.com)

Designed as a statement fireplace piece, Oval's sleek, steel-crafted silhouette speaks to the growing design movement toward organic, softened forms. It is offered in a 47-inch model and can be fully suspended or wall-mounted.

**The Details** ←  
[thedetailshome.com](http://thedetailshome.com)

The Descanso collection offers a classic shape with subtle curves that provides interest and a comfortable grip. With clean lines from the front and statement waves from the side, this pull marries sleek style and curvaceous artistry.

**Brizo** ↑  
[brizo.com](http://brizo.com)

Following the success of its bath collection, Brizo launched a Frank Lloyd Wright kitchen collection. The release translates Wright's iconic design principles into a bold new vision for the kitchen, featuring rounded and squared arches, angular forms, and uniquely offset connection points.

## PRODUCTS

### Feeney →

[feeneyinc.com](https://feeneyinc.com)

Made for indoor and outdoor applications, the Kerrie Kelly x Feeney DesignRail LaserCut collection offers nine intricate panel designs. Crafted from aluminum, the panels are designed for durability and low-maintenance performance.

### California Faucets ↓

[calfaucets.com](https://calfaucets.com)

From earthy tones such as black to bold shades like pink, a new colorful palette of porcelain handles gives designers a fresh and fun way to play with color in the bath. They are available in the sleek Cayucos series as well as the classic Del Mar series.

### True Residential ←

[true-residential.com](https://true-residential.com)

For 2025, True Residential debuted Olive, a nuanced deep green with hints of gray, as its color of the year. The natural hue adds richness and depth to kitchens without being overly bold, and pairs with neutrals and vibrant shades alike.

### Bello ↑

[bellousa.com](https://bellousa.com)

Flutello is a new freestanding tub design with a fluted texture and colorful personality. Shown in a two-tone blue and white, the bathtub is crafted from Bellocast, a composite material that is water-, grease-, and stain-resistant. ■
